

It has been another interesting year. I always think in situations like this we have 2 choices.

These are : 1) circle the wagons or 2) reach out, help where we can, but be smart.

In year 2+ of the pandemic we choose the second option. When I look back over the past year I find it incredible what we have done. We, as a church community, have supplied 1920 community breakfasts, 720 community lunches, and 600 haven meals. Zoom services have been perfected? through the hard of Marjorie Strong and Earl Kooperkamp.. They spent many hours mastering the technology. Earl led 52 bible studies and as many book groups.

Teri Crowther taught 52 yoga classes. Bill Crowther as Jr. Warden oversaw a new roof and the addition of a professional cleaning service. Bill Crowther with Leo Martineau as a second pair of hands and advisor facilitated an organ installation and upgrades to the lighting. Linda Webster, Cindy Willis, Nancy Hanson, Chris Hirsh and Marjorie Strong did a wonderful job maintaining and upgrading the church yard/garden. We got a new organ, pledges are up, and I continue to

continue to be impressed with the meal outreach volunteers. Oh and there is a pandemic going on. If we can accomplish this during a pandemic just think what we can do afterwards.

These past three years we have had an exceptional Vesty. Two of our members are leaving Bill Crowther and Cindy Willis and they will be sorely missed.

Respectfully,

Philip Moros  
Senior Warden
