

Stewardship Report - 2023
Church of the Good Shepherd

Many thanks to all our members for your past and continued support for Good Shepherd! We are growing in some very good ways!

	# of Pledges	Total Pledged	Average Pledge
2022	22	\$47,420.00	\$2,150.00
2023	29	\$56,190.00	\$1,940.00

As you can see, we have significantly more people pledging and that means more support for the ministries of the parish. Especially in this period of rising costs, this extra support enables us to meet our costs and to find new ways to expand our mission.

The Stewardship Committee is extremely grateful for your support. Also in the spring, we hope to hold a program to discuss legacy giving, including Good Shepherd in your will or estate, to continue to insure the ministry we undertake in Barre. Again, many thanks for your generous support of Good Shepherd!
