

Caring for Others

Caring for Others had a busy year. We began to send out Birthday cards for those who requested them. Condolence and Get Well cards will also be sent starting later in the year.

Our events included Easter egg decorating, a Christmas cookie exchange, Gingerbread house decorating, and Advent Wreath making.

Conversation and Crafts continues to meet on the 2nd Tuesday of the month (pausing in the summer), with 4 to 10 participants.

The Mens Breakfast meets at Tasty Bites once a month.

Our Meals program was also active this year, providing home cooked meals to parishioners as needed.

Respectfully submitted,
