

Mission and Outreach Committee

In seeking to set priorities for the MO committee, I began with a search for what the Episcopal Church considers the hallmarks of mission. What I found is below:

FIVE MARKS OF MISSION

To proclaim the Good News of the Kingdom

To teach, baptize and nurture new believers

To respond to human need by loving service

To seek to transform unjust structures of society

To strive to safeguard the integrity of creation and sustain and renew the life of the earth

With that information, we began to brainstorm different initiatives. We have quite a list that we are working through. The highlights from 2023 were the 2 large fundraising dinners which we did as a group. Several of our members have active work in the above categories which they pursue on their own. And as a group we joined with the rest of the church to pitch in on flood relief. This is ongoing. We welcome you to join us and we welcome your ideas.
