

Church of the Good Shepherd Annual Plant Sale

Tomatoes

Mountain Princess

Perfectly rounded fruits with crowd-pleasing mild sweet flavor. Very productive and early; great for short, cool seasons. A customer favorite for containers, six-pack sales & CSAs. Grown for generations in the Monongahela National Forest region of West Virginia.

- Determinate
- 8-10 oz

Moskvich

Fruits are round to slightly flattened with deep red color and luscious, rich flavor. Great eaten fresh or processed. Highly resistant to cracking, making it a great pick for the greenhouse. Like all Russian tomatoes it can stand up to cool conditions.

- Semi-determinate
- Field or greenhouse
- 4-6 oz

Indigo Apple

Rich in the powerful antioxidant anthocyanin, these large, stunning fruits offer mild, aromatic tomato flavor improved by full ripening from shiny black to matte purple. Resists cracking and sunscald, with some resistance to late blight. Bred by Brad Gates using an original cross made by PKS Heirlooms in Copenish, MI.

- Indeterminate
- 4-6 oz

Amish Paste

The classic paste tomato - flavorful and juicy enough for slicing, with great meatiness for cooking down. Very few seeds, which can make sauces and pastes bitter. Sweeter flavor than other paste tomatoes.

- Indeterminate
- Few seeds
- 8-12 oz.

Cherry Tomatoes

Indigo Cherry

This early maturing plant produces heavy yields of 1 to 2 oz bi-colored rosy-red cherry tomatoes with purple-black markings. It has the same dark blue anthocyanin coloration over red flesh. They are very sweet and flavorful. Perfect for salads and garnishes.
